Richard,

Just so you know, I incorporated the edits from Aaron, Chris, et al. on the version of the Lit. Report that is currently routing (and dropped it off at the ECEJ front desk). Unfortunately, I did not have access to the current version of the cover letter, so I couldn't make changes on that document (I indicated this on a sticky note on the updated routing package).

I have attached the updated version of the Lit. Report to this message so you can update it if necessary later on.

Best,

Doug – Here is the Lit Report. Should we send it by Aaron for comments and edits before adding Chris'?

Richard,

I just received Chris Thompson's handwritten edits to the Washington/Mueller referral from Beth. Could you send me the updated version of the referral so that I can incorporate them and send them on to Aaron for concurrence?

Thanks!
